Abstract

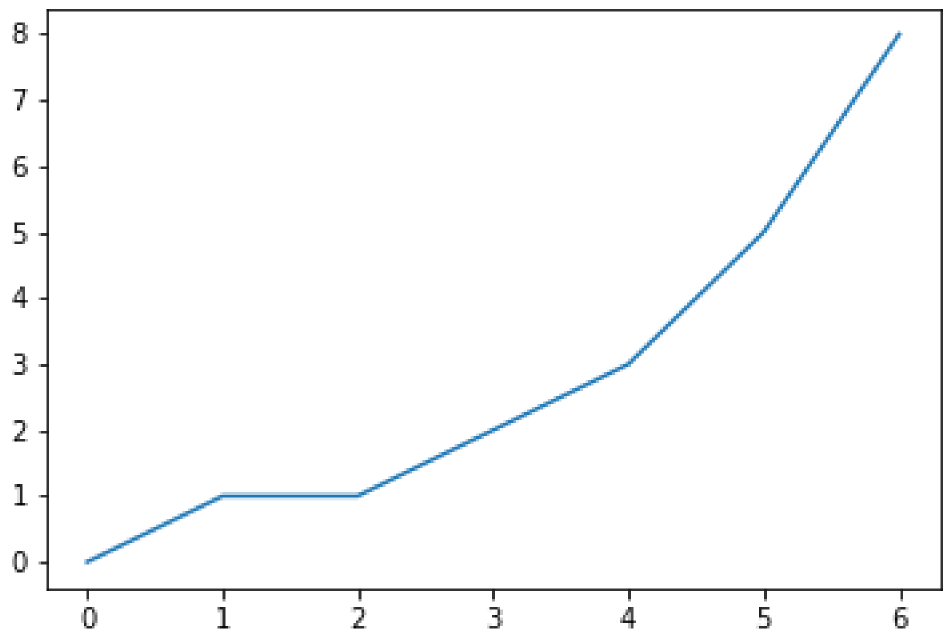
type abstract here

1 Chapter 1

fill first section here, test citation: Andersen, Bollerslev and Diebold 2002.

Example on how to include graphics and tables, located in the python project.

For the graphics I created a link to the variance-python/results/graphics file in "mystyle.tex" hence only the name of the graphic without .png ending has to be specified.



For tables the whole path has to be specified

	0
0	0
1	1
2	1
3	2
4	3
5	5
6	8

2 Chapter 2

fill second section here
